

Arthur J.E. Child Chair in Rheumatology Research

Terms of Reference

Trainee Experiential Learning Subsidy

Details

- Funding is available to support trainees seeking to gain skills in rheumatology clinical and health outcomes research through experiential learning opportunities at other institutions

Funding

- A minimum of two (2) awards are available annually
- The maximum amount awarded per trainee per degree is \$4,000

Eligibility

- Trainee (post-doctoral fellow, graduate student, or undergraduate student) of a McCaig Institute for Bone and Joint Health Full or Associate member, engaged in clinical and health outcomes rheumatology research
- Letter of support from the primary supervisor attesting to the approval and benefit of the experiential learning opportunity
- Confirmation or approval of host institution/supervisor

Use of funds

- Travel, accommodation, food and incidentals as per the University of Calgary Travel & Expense handbook
- Materials or supplies needed to support research activities while at host site

Dates

- Applications will be accepted on an ongoing basis

Accountability

- Subsidies will be provisionally approved once eligibility criteria are met, but reimbursement for expenses is conditional on attendance of the experiential learning opportunity
- Acknowledgement of funding received from the Arthur J.E. Child Chair in Rheumatology Research in associated presentations, publications, or knowledge mobilization activities
- Within 2 weeks of return, the trainee shall provide:
 - Confirmation of attendance (receipts confirming travel)
 - Detailed receipts
 - A brief summary of learnings or benefits of attending the experiential learning opportunity

Application Requirements

- Complete application form online
